*Direzioni generali di riferimento* (Regione Lombardia): DG Famiglia, Conciliazione, Integrazione e Solidarietà sociale; DG Istruzione, Formazione e Lavoro; DG Casa.

*Project Title* (provisional): La dimensione regionale del contrasto alla povertà. Una comparazione tra le principali politiche poste in essere in Lombardia ed Emilia Romagna.

#### *Research object*

The aim of research project is the analysis of the main features that define contrasting poverty at regional dimension in Italy, after the changing introduced in the welfare state in the last years (l. n. 328/2000, l. n. 3/2001). In particular, the research tackles and compares regional model of Lombardia and Emilia Romagna. This comparison is based on the analysis of main policies in field of family, education, training, housing carried out in the last legislatur (2005-2010). The principal purpose of this research is to value the integration capacity of this policies in their beneficiaries. Through the evaluation of each policy the research intend to:

- define main variables that influence each regional system in contrasting poverty.
- set the covering level of this policies in refer to their beneficiaries.
- set integration's level among the different policies.
